OUR MISSION

To exceed our customers' expectations with innovative and bespoke Assurance, Testing, Inspection and Certification services for their operations and supply chain, 24/7.

OUR VISION

To be the company that best understands and satisfies the product, service and self-fulfillment needs of People – All over UAE.

MANAGING DIRECTOR'S Message

I set up Zealcon to be the name you can trust for home improvements. Although the company has grown and developed since then, the principle remains the same: to deliver the highest quality in everything we do, from manufacturing to installation to after-sales care.

I'm pleased to say that many of our new customers come to us through personal recommendation from other satisfied customers. Once a customer has worked with us they see the difference and either return to us or recommend us to their friends and family.

We are proud of the quality of services and our responsiveness to client schedules. These are the keystones to our business and long-lasting client relationships. When you deal with my team you'll receive advice and help, not a high pressure sale. I personally guarantee it.

Shahid Hussain
Founder and Managing Director

OUR SERVICES

Zealcon is the largest designer and supplier of Glass Rooms, Decorative Glass, Insulated Glass Units, uPVC Doors & Windows, Aluminium Doors & Windows, ACP Cladding and Air Conditioning in UAE. We are functioning with high knowledge intensity, well equipped resources and professional workforce.

Zealcon has established a successfully running business enterprise dealing in supply of high quality products and services as well as its customized fabrication in relevant products & accessories.

We provide a complete uPVC window and door system, from profiles, accessories and machinery to marketing and technical support to our Clients. We also have a state-of-the-art Aluminium window fabrication plant for our customers. We have the capability of completing large projects on time, due to our high capacity modern fabrication plant. We always maintain a large stock of profiles and accessories for our dealers and end customers.

OUR SERVICES

GLASS ROOMS

Making the most of your home and garden is important; however with the unpredictable weather in the UAE this is not always easy. With a Zealcon Glass Room the solution to enjoying your garden all year round is available.

High grade products and innovative design, coupled with excellent customer service, ensure that we are sure to find a product to suit your needs. Our glass rooms are tailor-made solutions and glass door products means they can fulfill almost any wish.

INSULATED GLASS UNITS

Insulating glass is two or more plies of glass enclosing a hermetically sealed air space. Inherently, insulating glass increases a window's thermal performance by reducing the heat gain or loss.

At Zealcon, insulating glass units are double sealed with a primary seal of polyisobutylene and a secondary seal of silicone.

DECORATIVE GLASS

Zealcon introduces latest printing technology on glass using ceramic inks.

Zealcon digital glass printing now allows you to digitally print anything you can imagine directly on glass. The artistic possibilities of Digital Printing would mean nothing if it didn't also meet or exceed functionality requirements. Digital printing with ceramic ink is suitable for all applications, including single, insulated and laminated glass units.

GLASS PARTITIONING

Zealcon office wall system in Dubai combines simplicity with flexibility making moving the wall configuration an easy task.

Zealcon wall Series can be combined with our most comprehensive and Flex Office Wall Series.

OUR SERVICES

ALUMINIUM CURTAIN WALLS

We cater a huge array of superlative curtain wall frames that is manufactured from the superior quality aluminum. We have firmly positioned ourselves as one of the supreme aluminium curtain wall frames exporters, based in UAE.

Our extruded curtain wall frames are provided in varied wonderful designs and colors. Easy installation, high quality and long lasting sheen are some of the salient features of our aluminium curtain wall frames. We provide aluminium curtain wall frames at very moderate prices and that too within the stipulated time frame.

ALUMINIUM WINDOWS

An ample assortment of impeccable quality-casement windows is provided by us. Our cost effective aluminium casement windows are graceful and are quite convenient to use. Immensely used in the buildings, residential complexes, offices etc. Our glen-grove casement windows are the perfect blend of quality and performance.

ALUMINIUM DOORS

Avail from us a huge gamut of highly durable and reliable aluminium doors that is a perfect prevention solution. Our aluminium folding doors are manufactured from the high quality aluminum that assures their rust proof and anti abrasive nature. Highly versatile, our aluminium folding doors can be easily installed into any type of frame.

Easy to clean and maintain, our aluminium folding doors are in huge demand in the national and international market. We have carved a niche as the most predominant aluminium window doors manufacturer in UAE.

ACP CLADDING

We provide a wide range of high quality panel cladding tray that is widely used for cladding the external part of buildings, false ceilings, partitions etc. We have carved a niche as one of the ecstatic composite panel cladding tray suppliers, based in UAE. Aluminium cladding is durable, hygienic, lightweight, low maintenance and recyclable.

OUR SERVICES

UPVC DOORS & WINDOWS

Modern uPVC doors and windows are far superior to any aluminum, steel and timber systems. u-PVC doors have properties that make it the ideal material and provide the higher quality, durability and efficiency.

It eliminates the possibility of air, water and sound leakages with its special sealing systems. We are the supplier and installer of cement doors, double glazed doors, front doors, French doors, and balcony doors in UAE.

Zealcon is one of UAE's largest suppliers and installer of high quality uPVC doors & windows in UAE. Having knowledge of UAE's extreme conditions in different parts of the country,

AIR CONDITIONING

Zealcon operates Air Conditioning Services throughout the entire UAE, and have offices in Dubai and Sharjah. We can offer from a full service maintenance contract to one-off call outs.

Minimising downtime is important to businesses. We therefore can build a maintenance and servicing program that caters for all types of clients to try and ensure our clients systems are kept in top condition running efficiently and in full working order. This will help to avoid needing any repairs as routine servicing can identify any potential issues that may occur.

Our work
is the presentation
of our capabilities.

HOW WE WORK

Making the most of your home and garden is important; however with the unpredictable weather in the UAE this is not always easy.

When it comes to making home improvements, good communication is vital. If you tell people what you are going to do, when you are going to do it and at what cost, they'll be happy, so here's what will happen when you contact Zealcon.

STEP 01

You have the option of receiving information and arranging a convenient time for a Zealcon design consultant to visit your home.

Your appointment will be confirmed and sent with any relevant product literature. You can also visit our comprehensive showrooms in Sharjah.

STEP 03

You will receive details of a proposed installation date, which if not convenient can be re-scheduled.

Installation is usually within a six-week period, allowing us ample time for design and manufacture.

STEP 04

All our installation teams are trained craftsmen with many years' experience. All items removed from your property, if no longer required, will be recycled.

Throughout installation, a supervisor will check the work is being carried out to Zealcon's exacting standards.

STEP 02

After your complete satisfaction we will send you the quotation. If you are happy with the quotation, you will be sent a contract for you to sign and return to us.

Within seven days a surveyor will visit your property to carry out an accurate survey and can answer any further questions you may have.

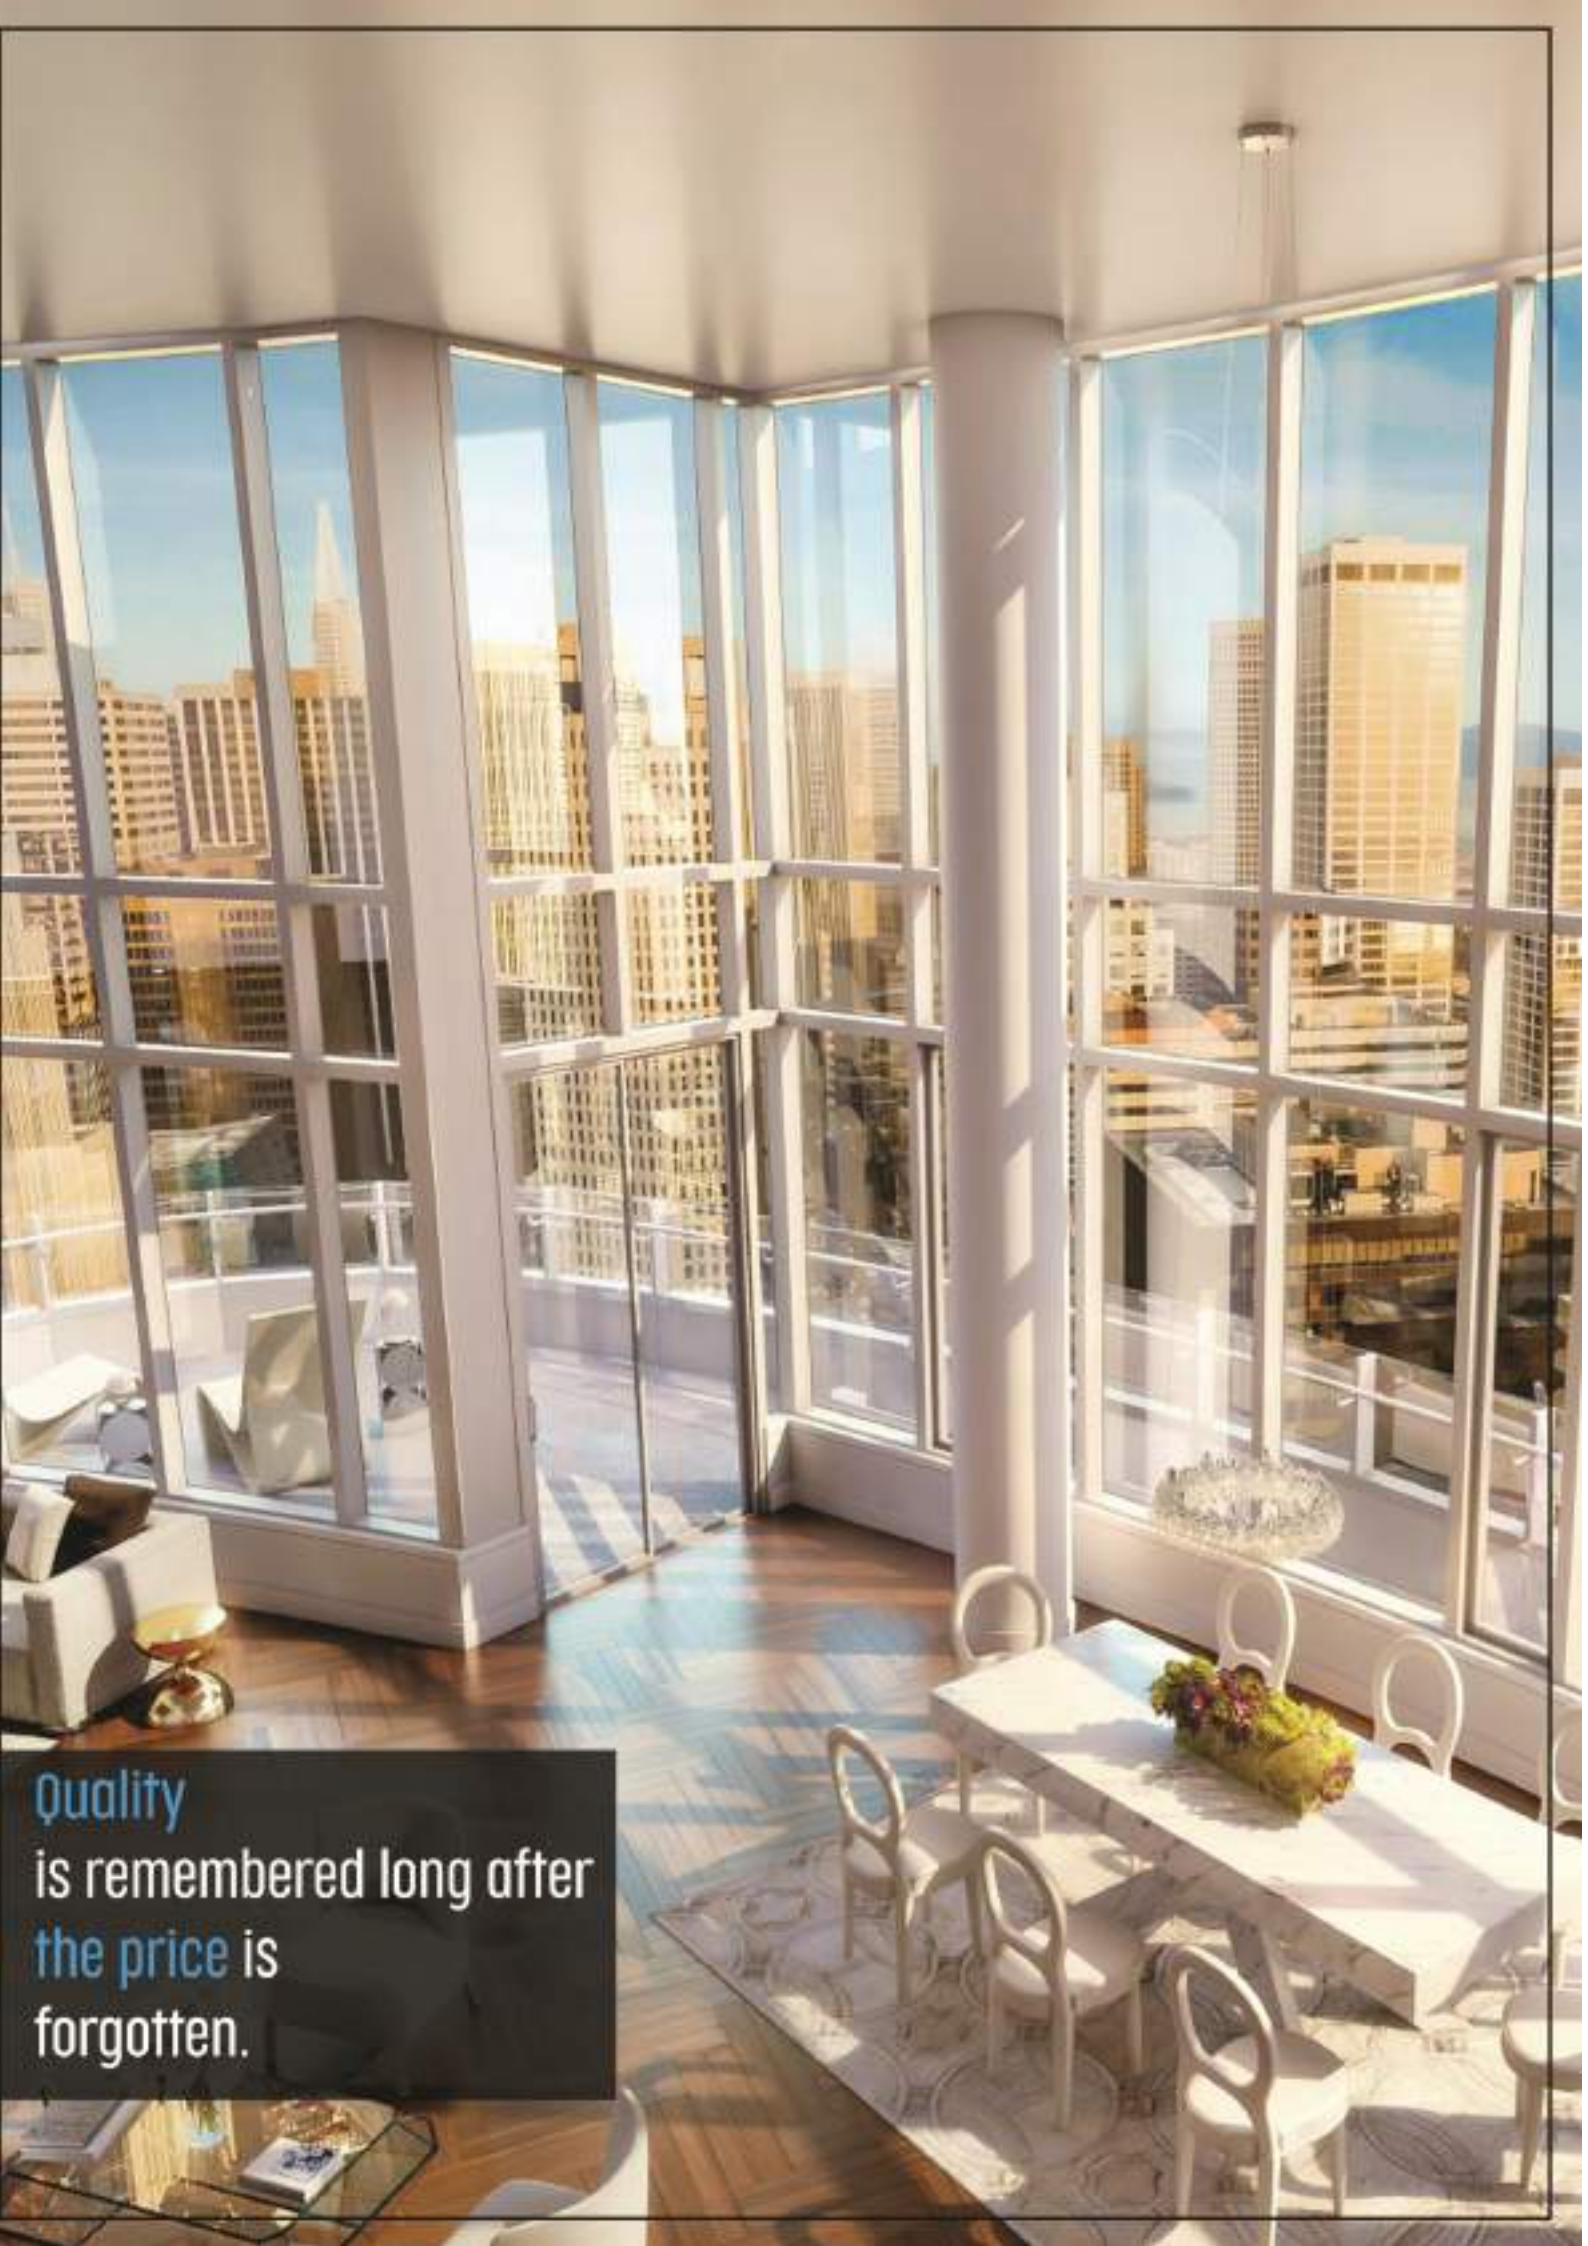

STEP 05

On completion of the works, an invoice will be sent along with a customer feedback questionnaire.

Payment (cash or cheques) can be made to a senior Zealcon Glass room installer prior to him leaving your property, or it can be made at one of our showrooms.

Quality
is remembered long after
the price is
forgotten.

TIME TO MAKE THE RIGHT DECISION
